## BC3NP Services are available to Family Planning Clients

Do you have a woman in need of breast or cervical services but cannot afford the cost? BC3NP can pay for these services and accepts referrals from Family Planning programs. To make a referral:

- Have client complete BC3NP enrollment packet.
- Provide BC3NP with a copy of the abnormal pap/breast exam.
- Fax completed enrollment forms, abnormal results and what services you are requesting to BC3NP at 989-269-5155.
- If client is over age 40 and only needs a screening mammogram, fax enrollment forms and note **\*screening mammogram needed\*** on the fax cover sheet.
- If you have questions, call 877-269-0822 or 989-269-9721 ext 165.

Eligibility is based on household income
